[ELDS Site Designation Final Rule 9-28-16.docx](#)

Thanks, Scott. I'm attaching the draft final rule for your review and comments, and will copy Mark Habel as well. Please use discretion in disseminating any further than your immediate office, as this is obviously a very sensitive matter. As discussed, we'd like any comments by COB next Wednesday, October 5. This version doesn't have the Response to Comments summary section because we're still working on the primary RTC document, but we hope to share that with you next week. Thanks again for your assistance.

Hi Mel,

We'll do our best. We should be able to muddle through it in that time.

Thanks.

Scott- We're close to having a draft final rule for the ELDS for your review and comment, maybe as early as tomorrow. As you know, the schedule is tight, so do you think your staff can turn it around in a week? It's about 65-pages but missing the response to comments section because the RTC still needs

significant editing before we can even summarize. Please let me know if this will work for you guys.  
Thanks.
